### even more messy church help

Messy church is an amazing morning of fun for over 70 people every month. But the leaders could do with an extra pair of hands to help with the worship / teaching time – a 15-20 minute section which usually includes a song and a short message / talk. If you think you might be able to help – especially if you're a bloke! – please contact Susan Ramshaw (07910 460868). Additionally, Karin will need an extra pair of hands to help in the kitchen to prepare the food for the end of Messy Church from September. If this might be you, please see Karin (07508 091 263).
